self-guided tour

bicycle holiday 

DIFFICULTY: easy 

DURATION: 8 days / 7 nights 

DISTANCE: approx. 350 – 355 km 

DESCRIPTION

Starting in Munich, this cycle tour takes you across the Alps and through Germany, Austria and Italy. On the routes of the cycle path Bodensee-Königssee, the Inn cycle path, the Isar cycle path and the cycle path Munich - Venice, the tour leads through the Bavarian lake landscape, passing some of the most famous lakes such as Lake Tegernsee or Lake Schliersee. After a long tour, the many lakes invite you to jump into the refreshing water. Bikers reach Innsbruck via Kufstein and the Tyrolean Inntal Valley. Passing the Brenner Pass you cross the border to Italy and cycle along the Pustertal Valley to Villabassa/Dobbiaco.

CHARACTERISTICS OF THE ROUTE

The cycle tour from Munich to Villabassa/Dobbiaco is a very varied tour for active pleasure cyclists with basic condition. The route runs along asphalted cycle paths and low-traffic side roads (except in the high season of July/August). The section from Innsbruck to the Brenner can be bridged by train. The last section of the tour leads leisurely through the Pustertal Valley.

A DAY BY DAY ACCOUNT OF THE ROUTE

Day 1: Arrival

Individual arrival at the starting hotel in Munich.

Day 2: Munich – Bad Tölz (approx. 60 km)

You leave Munich along the river Isar and will find yourself in the midst of untouched nature landscapes and dense forests. You will cycle past abbeys, bavarian villages and across the Isar wetland you reach Bad Tölz, a picturesque old town.

Day 3: Bad Tölz – Bad Feilnbach (approx. 65 km)

From Bad Tölz we take the cycle path Bodensee-Königssee to Gut Kaltenbrunn at Lake Tegernsee. After a breathtaking view you cycle further via Hausham to Lake Schliersee and Fischbachau to your destination Bad Feilnbach.

Day 4: Bad Feilnbach – Kufstein (approx. 40 km)

Today's stage takes you from Bad Feilnbach along the cycle path Bodensee-Königssee to Kirchdorf am Inn. From here follow the Inn cycle path upstream to the fortified town of Kufstein. Always in view of the mountain Wilder Kaiser and the mountain scenery of the main Alpine ridge.

Day 5: Kufstein – Hall in Tyrol (approx. 75 km)

Today the stage takes you through the tyrolean lowlands from Kufstein to the coin town Hall in Tyrol. As a faithful companion you will find the river Inn, which leads you past the Zillertal Valley and Jenbach as well as the silver town of Schwaz. A sparkling highlight on the route -- the Swarovski Crystal Worlds in Wattens.

Day 6: Hall in Tyrol – Rio di Pusteria (approx. 60 km + train or bus)

After a short ride on the Inn cycle path from Hall in Tyrol to Wattens and Innsbruck, you can take the train / bus to the Brenner Pass. From the former border between Austria and Italy and at the same time watershed and cultural axis, you cycle along the old railway line to the Fugger town of Vipiteno and on to Rio di Pusteria.

Day 7: Rio di Pusteria – Villabassa / Dobbiaco (approx. 50 – 55 km)

From Rio di Pusteria a well-built cycling path leads you through the Val Pusteria, passing the Mühlbacher Klause, a former border post. Once it was an antique gate between the provinces Rätien and Norikum. Along the river Rienz you will arrive to Brunico. We suggest a visit of the "Volkskundemuseum" (South Tyrolean Folklore Museum) in Teodone or one of the two Messner Mountain museums MMM in the castle of Brunico or on the Kronplatz mountain. From Brunico you cycle on the cycle path along the river Rienz to Villabassa or Dobbiaco.

Day 8: Departure

Individual departure or possibility to extend your stay.
