DESCRIPTION

The Drau cycle path, which has been awarded 5-star quality cycle routes by the ADFC, leads from the source of the Drava in Dobbiaco in Italy along the river of the same name for 366km through East Tyrol and Carinthia to Maribor in Slovenia. The tour starts in Alta Pusteria, near the source of the Drava. The river is your constant companion on the journey. From the border town Dravograd in Slovenia, the cycle path does not follow the valley floor, but accompanies the river slightly above on the slopes of the gentle mountains. You will be rewarded with magnificent views of the Slovenian Drava Valley. After Maribor, once the European Capital of Culture, and Slovenia's oldest city – Ptuj – the Baroque splendour of Varaždin welcomes you at the end of the journey.

CHARACTERISTICS OF THE ROUTE

In South Tyrol and Austria the tour mostly runs on the cycle path in flat terrain on asphalted and paved paths. More demanding in Slovenia with some uphill sections. However, these sections can be shortened by a train ride – also in parts. The tour is suitable for children over 16 years.

self-guided tour

bicycle holiday

DIFFICULTY: easy

DURATION: 11 days / 10 nights

DISTANCE: approx. 435 – 465 km

A DAY BY DAY ACCOUNT OF THE ROUTE

Day 1: Arrival

Individual arrival at the starting hotel in the Upper Puster Valley (Villabassa/Dobbiaco). Free, unattended public parking area near the hotel.

Day 2: Alta Pusteria – Oberdrauburg (approx. 70 – 75 km)

Starting in Villabassa or Dobbiaco you cycle along the bike path to San Candido and then on to Sillian. Afterwards the cycling path runs downhill all the way to the sunny Austrian town Lienz, where already the “Illyrer” founded one colony, which was developed by the Romans to the city “Aguntum”. Visit the outdoor museum “Aguntum” – excavations and discoveries report about that Roman settlement. You leave from where the river Isel flows into the river Drava and carry on with the bike path over the borders of both countries East Tyrol and Carinthia to Oberdrauburg.

Day 3: Oberdrauburg – Sachsenburg/Möllbrücke (approx. 40 km)

Through an idyllic landscape and dreamy villages you will reach Sachsenburg/Möllbrücke from Oberdrauburg. Here the cycle path no longer runs directly along the riverbank path of the Drava but moves a little further away from the river and meanders through the widening valley.

Day 4: Sachsenburg/Möllbrücke – Villach (approx. 55 km)

This day takes you to Villach, the second largest town in Carinthia. Villach is not only well known for its carnival but also for its funfair. In addition, numerous sights await you. A trip to the neighbouring lakes should not be missed.

Day 5: Villach – Klagenfurt (approx. 40 km)

The cycle path first leads along the Drava river to Velden am Wörthersee. You cycle along Carinthia’s largest lake on perfectly signposted cycle paths. Lake Wörthersee, which has a temperature of up to 28 degrees, is a playground for all those who love the water. Along the route there are several beach strips that invite you to take a break and a refreshing swim.

Day 6: Klagenfurt – Lake Klopeiner See (approx. 30 km)

You leave Lake Wörthersee and Klagenfurt with its famous landmark, the Lindwurm, and cycle leisurely along well-signposted cycle paths back to the Drava. You follow the course of the river for a few kilometres before turning off into the Lake Klopeiner See holiday region. With its 30 degrees Lake Klopeiner See is one of the warmest bathing lakes in Europe. The first swimmers venture into the pleasantly warm water as early as May.

Day 7: Lake Klopeiner See – Lavamünd/Dravograd (approx. 45 – 55 km)

From Lake Klopeiner See, the warmest lake in southern Carinthia, you continue to Lake Turnensee. On the way to Dravograd you pass idyllic villages with mountain panoramas. A special sight is the highest railway bridge in Central Europe, the Jauntal Bridge. You cycle always following the Drava into Slovenia.

Day 8: Lavamünd/Dravograd – Maribor (approx. 65 – 75 km)

Sporty cyclists particularly appreciate this stage. You leave the cycle path along the Drava and cycle on side roads and immerse yourself in idyllic villages. Passing beautiful villages you come to Fala and from there you cycle again into the Drava Valley towards Maribor. The uphill journey in the hinterland can be bridged by a train ride from Potvelka to Fala (approx. 18 km less – train ticket not included). In Maribor you can visit many different museums, such as the Museum in Maribor Castle (dedicated to Slovenian archaeology, ethnology, art, culture and fashion).

Day 9: Maribor – Ptuj (approx. 30 km)

Because today’s stage is pretty short, you can enjoy the offers of sights and culture either in Maribor or at the stage destination Ptuj. The cycle route leads flat through nature and forest parks either west or east of your constant companion – the Drava river – to Ptuj, Slovenia’s oldest town.

Day 10: Ptuj – Varaždin (approx. 58 km)

From picturesque Ptuj (German: *Pettau*), the trail continues past the 346-hectare Ptujsko jezero reservoir. In the wine-growing region, the trail leads through Ormož and Središče ob Dravi, whose history dates back to the Neolithic Age. Archaeological finds attest to a Neolithic settlement, the remains of Roman buildings and the early Slavic settlement. The destination of the trip is the magnificent Baroque town of Varaždin with its monuments and art.

Day 11: Departure

Individual departure or possibility to extend your stay.
